Paying your plan premiums

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by mail each month. **You can also choose to pay your premium by having it automatically taken out of your Social Security or Railroad Retirement Board (RRB) benefit each month.**

If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium. The amount is usually taken out of your Social Security benefit, or you may get a bill from Medicare (or the RRB). DON'T pay American Health Advantage of Texas the Part D-IRMAA.

Please select a premium payment option:

- ☐ Get a bill each month
- ☐ Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check.

I get monthly benefits from: ☐ Social Security ☐ RRB

(The Social Security deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.)

If a premium payment option is not selected above, the default action will be direct bill.
